20 years  
experience in the lock industry

46,000

46,000 square meters  
Full industry chain production base

Founded in 2004, Orbita Technology Co., Ltd. is one of the largest hotel card lock manufacturers in China.

We have a 46,000 square-meter modern factory and 90% of our products components are made in house. Orbita hotellocks passed the world's most stringent BHMA 800.000 cycling test and 180 minutes UL fire as well as European CE test.

More than 20,000 hotels in 120 countries around the world are using the products of Orbita, and the cooperative international hotel management companies include Hilton, Accor, Marriott, interContinental, Wyndham, Carlson, Kemp-inski, etc.

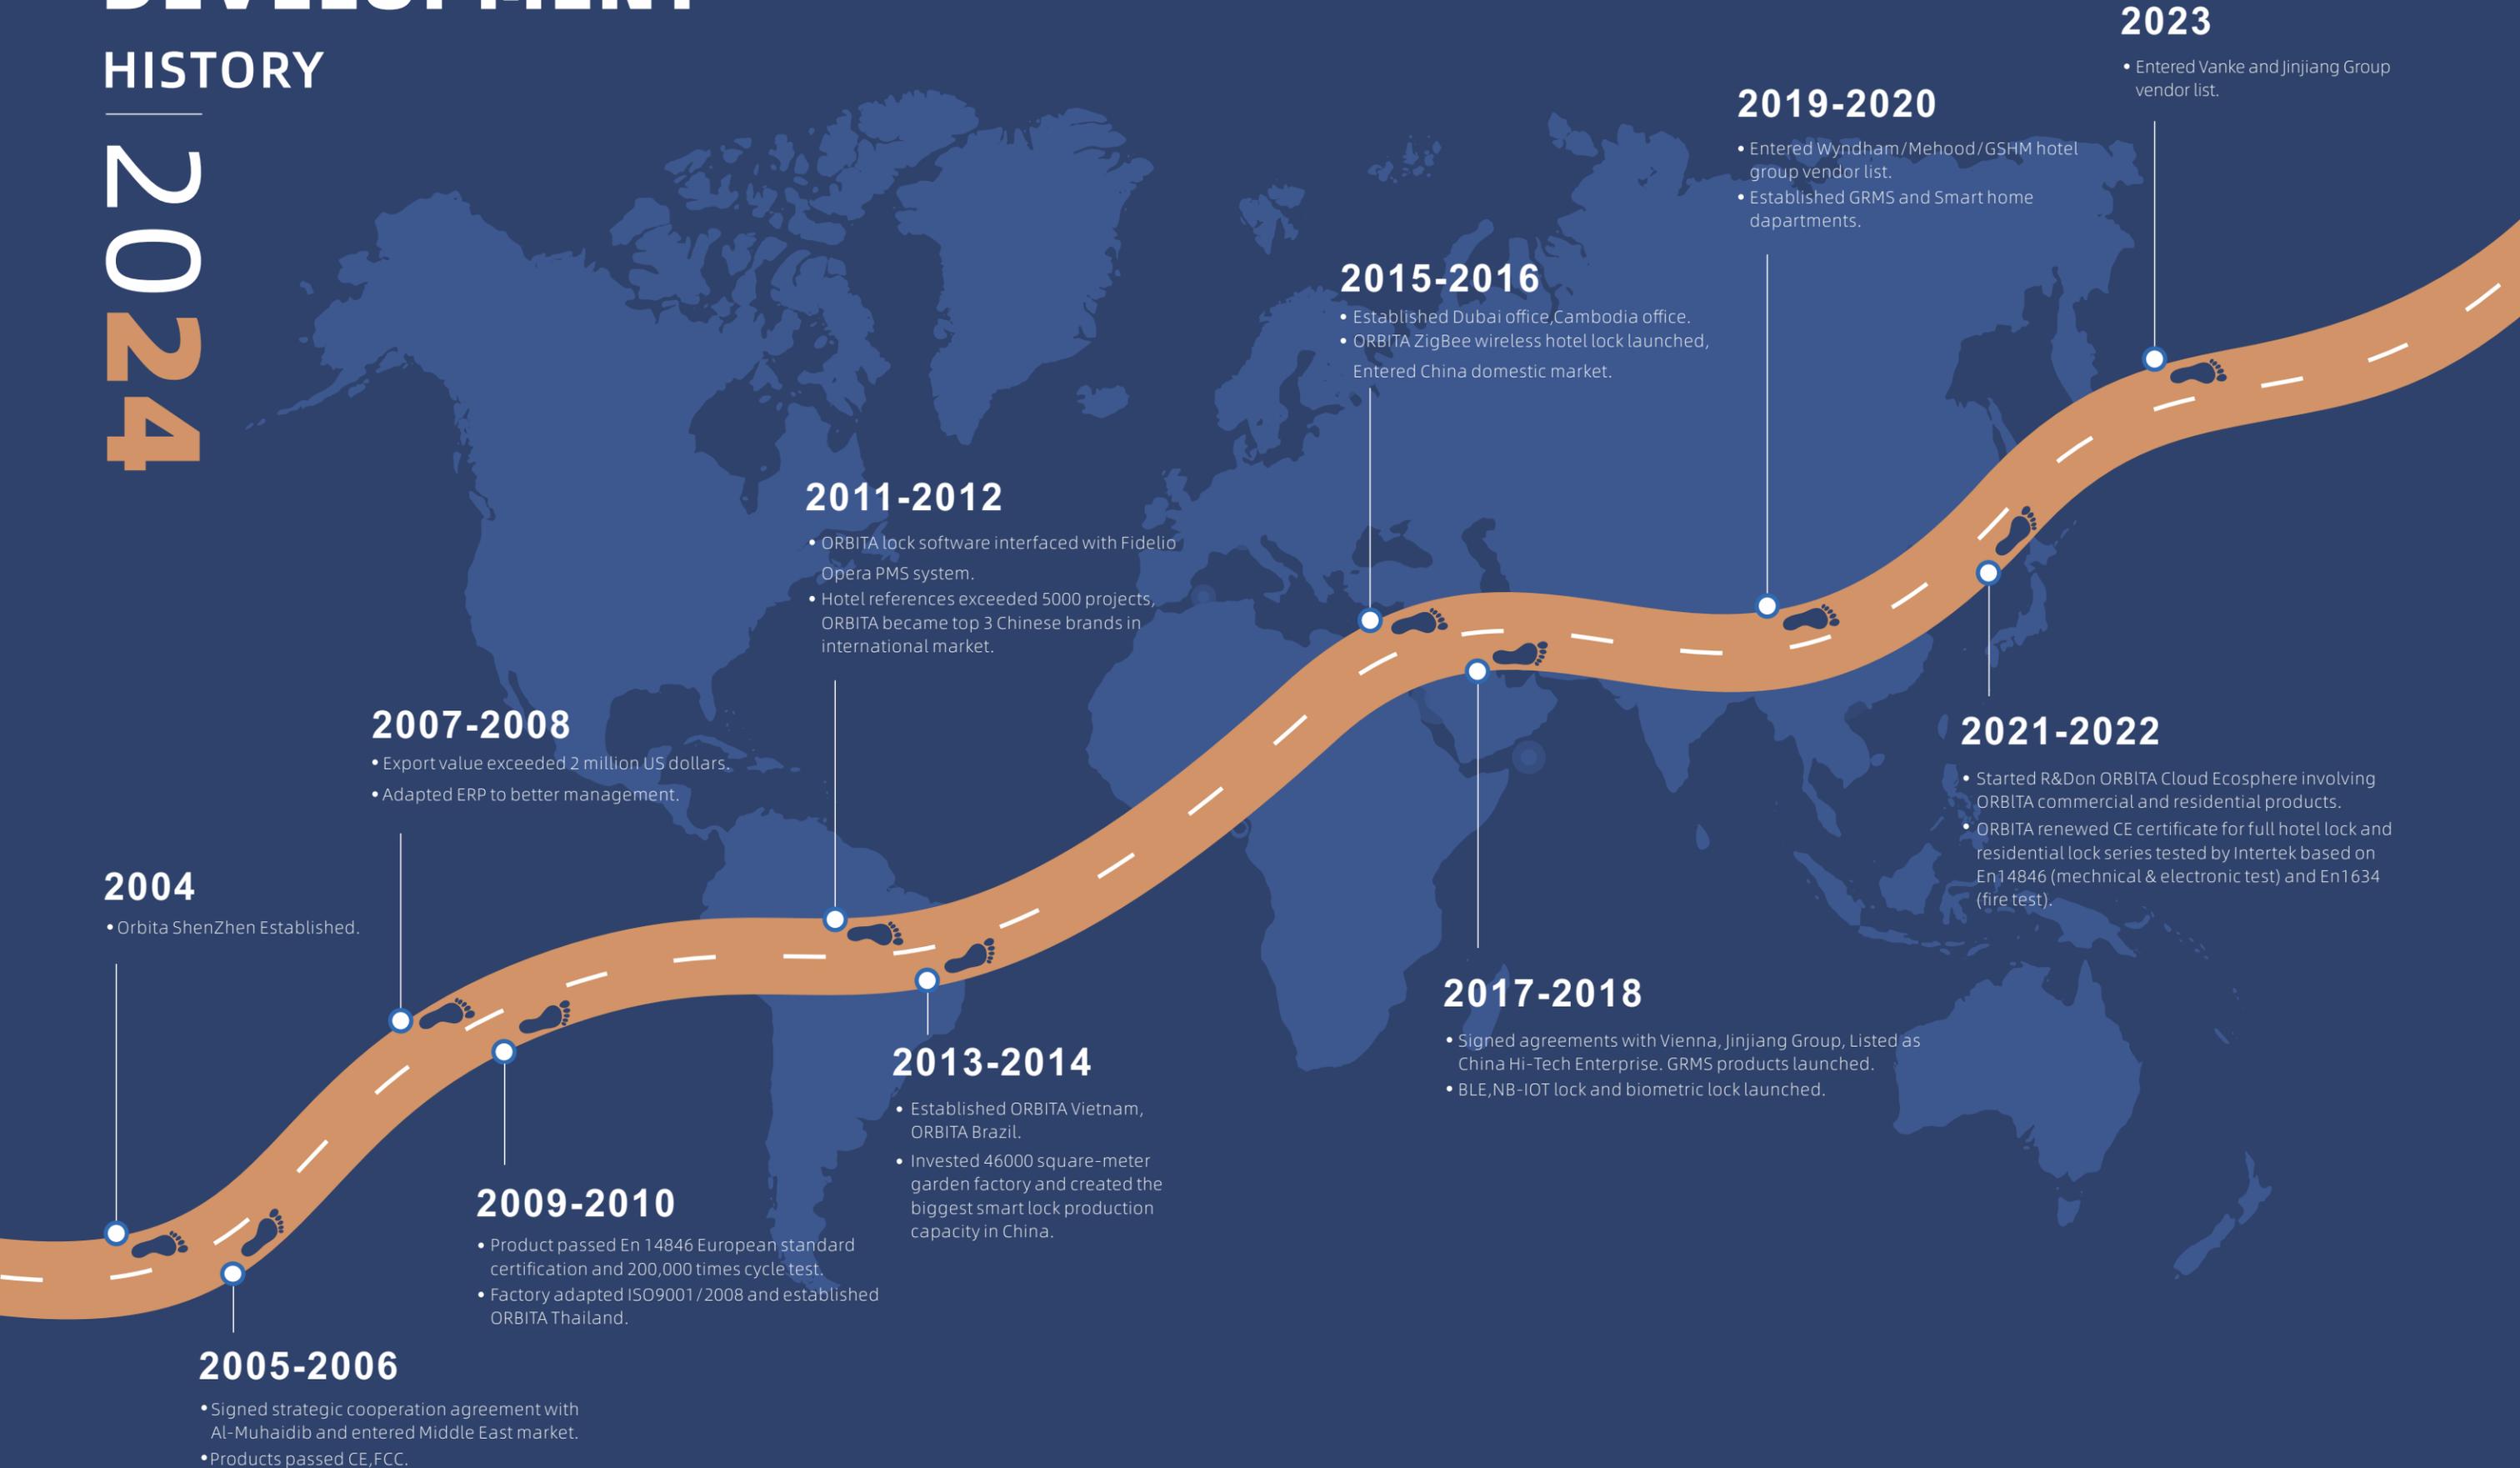

"ORBITA" is also one of the few companies in China that has obtained the official integration certification of Opera hotel management system. Strong research and development capabilities, strong production strength, strict quality management system, and timely and considerate world-wide service constitute the company's core competitiveness.
